I'll not leave thee, thou lone one!
To pine on the stem;
Since the lovely are sleeping,
Go sleep thou with them;
Thus kindly I scatter
Thy leaves o'er the bed,
Where thy mates of the garden
Lie scentless and dead.

So soon may I follow,
When friendships decay,
And from Love's shining circle
The gems drop away!
When true hearts lie wither'd
And fond ones are flown,
Oh who would inhabit,
This bleak world alone?

### Special Notice to Piano Teachers and Students.

It is with sincere pleasure that we call the attention of all earnest and ambitious teachers and students, to the best Graded Course of Studies for the piano ever published—namely—

"KUNKEL'S

ECLECTIC GRADED COURSE OF STUDIES for the Piano" in Ten Grades. After an unsatisfactory experience with the good, bad and indifferent "Courses" in the market, it is with a feeling of intense satisfaction that the teacher looks over "Kunkel's Eclectic Graded Course of Studies" and acknowledges that here at last is a work which meets every expectation.

Every study in this "Graded Course" is specially annotated, thus greatly aiding the teacher in his arduous task and facilitating the progress of the pupil.

"Kunkel's Eclectic Graded Course of Studies" for the piano is published in ten grades, at one dollar per grade.

The "Course" embraces everything necessary to make a first-class pianist. It is a Graded Course of Studies which will lead the student from the very beginning to the summit of the art of piano playing.

When a pupil has completed "Kunkel's Eclectic Graded Course of Studies" the true knowledge of piano playing which he will have gained will serve him as a "Grand Diploma" which will be ever at his disposal—a Diploma of which he will have every reason to be proud.
